

The conditions for Ohio domestic insurance companies taking credit for ceded reinsurance on their financial statements are set forth in Ohio Revised Code (“R.C.”) Sections 3901.61 through 3901.65 and Ohio Administrative Code Section 3901-3-16. In general, the assuming reinsurer must be authorized in Ohio as of the date of the financial statement. Additionally, domestic insurers may take credit for reinsurance ceded to certain unauthorized reinsurers that meet the U.S. reinsurance trust requirements of R.C. Section 3901.62.

Unauthorized Assuming Reinsurers

Each of the following unauthorized assuming reinsurers has filed documents with the Department of Insurance substantiating the existence and sufficiency of the U.S. reinsurance trust required under R.C. Section 3901.62. Accordingly, Ohio domestic insurers may take credit for reinsurance ceded to the following unauthorized assuming reinsurers:

Please note: All insurers wishing to take credit for ceded reinsurance are required to perform their own evaluations of assuming reinsurers. The Ohio Department of Insurance does not make any determination or assurances regarding such actions. Any insurer that makes an error in taking such credit may not assert that it relied on a determination or assurance provided by the Ohio Department of Insurance.
